

When history reaches a turning point, there are those who watch and those who act. We at YourStory are both observers and participants in the making of new economic history. The purpose of our existence is to evaluate, expound and showcase the awesome spark of creation in every entrepreneur and changemaker.

Our passion for entrepreneurship and its resounding global resonance is only matched by the zeal to bring our peers onto a single platform for a free-flowing exchange of ideas and visions. We work from all over India to bring the best and the brightest entrepreneurs into the limelight they deserve

The YourStory Team brings you news, stories of entrepreneurs and change-makers, funding analyses, resource pieces and the first glimpse of emerging trends from India's entrepreneurial ecosystem, as well as profiles of great businesses and entrepreneurs from all over the world.

The YourStory team primarily works out of Bengaluru, Karnataka, but has a presence throughout India through its correspondents in English and 12 Indian languages, including Hindi, Kannada, Tamil, Telugu, Malayalam, Marathi, Gujarati, Punjabi, Urdu, Bengali, Oriya and Assamese.
