

Glassdoor is one the fastest growing jobs and recruiting sites.

Glassdoor holds a growing database of millions of [company reviews](#), CEO approval ratings, [salary reports](#), [interview reviews](#) and questions, benefits reviews, office photos and more. Unlike other jobs sites, all of this information is entirely shared by those who know a company best — the employees. Add to that millions of the latest [jobs](#) — no other site allows you to see which employers are hiring, what it's really like to work or interview there according to employees, and how much you could earn. Glassdoor is also available via its [mobile app](#) on iOS and Android platforms
