

Our Mission

At Activehours, we're making money work in a way that's good for everyone. Together with our customers, we're creating a future based on what's possible rather than the way it's always been done. That's why we let people get paid when they want.

The pay cycle was built for a time when everything was done manually. Now, we can move money at the touch of a button. So, why wait? If we stand together, we can transform how money works. If we help each other, we'll all succeed.
